

## Boost Your Restaurant Sales 24/7 with eGift Cards

Dear Owner/Manager,

Would you like to add a new source of revenue to your restaurant that's completely hands off? RestoXxxxxx.com is offering to instantly set you up with your own personalized electronic Gift Card system and mass promote eGift Cards to your restaurant online across a network of multiple high traffic sites in conjunction with Restomontreal and other popular publishers.

### Make Money In your Sleep 24/7

Having your own RestoXxxxxx.com Electronic gift card account allows your customers to buy gift certificates to your restaurant online 24/7 through your own personalized RestoCadeau sales page. Once payment has been processed, your customers can either print the electronic gift card to give in person or email the gift card to the destined recipient. This completely removes the hassle of having to come in store to purchase a gift card and makes it extremely convenient for last minute gifting.

### Take Part In A Growing Multi-Billion Dollar Market

You will be able to capitalize on the multi-billion dollar restaurant gift card market. A "**Buy eGift Card**" button will be added to your restomontreal listing and be promoted to over 700,000 unique visitors every month and from that alone you can expect a rapid influx of customers and sales to your restaurant all year round.

### Easy Redemption & Management

Your RestoCadeau account comes with a user-friendly secured administrator interface where you can easily track and verify gift card codes for redemption.

### Get Direct Deposits Everyday

Funds of your electronic gift cards sales are securely processed through **Stripe** and will be directly deposited into your bank account within 48 hours.

### Safe & Secure

The RestoCadeau platform has an integrated anti-fraud protection technology to eliminate the risk of fraud and securely process all transaction with piece of mind.

### Costs Removed exclusively for Restomontreal members

For a limited time the **first 100 enrolled restomontreal restaurant members** will benefit from **No Setup Fees, No Monthly Fees, and only 9% fee** on eGift Cards Sold instead of 20%
