PROFESSIONAL PRINTING SERVICES FOR ARCHITECTURAL, ENGINEERING, & CONSTRUCTION INDUSTRIES

Our experienced staff, personalized customer service and attention to detail offers the best printing solution for the A.E.C. needs. As an independent printer who owns the latest printing equipment technology, we have the capability of meeting your tight deadlines, many jobs completed while you wait!

INSIDE FRONT

Other professional printing services include specification books, marketing materials, presentation boards, job site signage and graphics. We can also easily collate & bind any set of blueprints, plans and business documents. Services offered at a competitive price, for example, blueprints start as low as \$1.79 for an 18x24 page.

STATE OF THE ART PRINTING OUTSTANDING CAPABILITIES

Utilizing the latest and most reliable printing hardware and software, LISS Printing guarantees your job prints fast and perfect every time. Our business services include:

- High quality and high speed digital color or black & white
- Large and small format printing and finishing
- Electronic ordering and secure file submission
- Spec. Book Printing
- Laminating & Mounting
- Stapling & Hole Punching
- Folding & Collating
- Binding & Padding

INSIDE CENTER

FEATURED SERVICES

Digital Blueprints

Your blue prints can be printed from digital files or we can scan and copy them if no digital file is available. We print on high quality bond paper, either 24" or 36" wide and the can be in full color or black and white. All blueprints can be laminated for weatherproofing and durability.

Large Format Scanning

If you need fast copies of large blueprints that have been marked up, written on or there is no digital file available, we have large format scanning available. Scan to PDF, Email, archival or where ever you need to send them, fast and securely.

Rush Production

Depending on the complexity, many jobs are printed while you wait or completed within a few hours. Almost all jobs are finished the same day. All of our printing is done in house for better quality control and faster turnaround time.

Local Delivery Service

We value your business, so we offer you free delivery, within a 10-mile radius of the heart of downtown Summit, NJ.
