3 Effective Skincare Beauty Ingredients

This Mediterranean Rhassoul Clay, Argan Oil and Rosewater Cleansing Mask moisturizes while drawing out impurities to detoxify your skin. It leaves your face feeling smooth and fresh.

Spas worldwide use these 3 ingredients for luxurious beauty treatments. Now you can use the same facial treatment at home for a fraction of the cost.

Rhassoul Clay is a 'Healing Clay' used to beautify skin and hair for centuries. It gently exfoliates and deeply purifies your skin to remove buildup, revealing brighter skin.

Argan oil, known as 'Liquid Gold,' protects and moisturizes your skin with five fatty acids and Vitamin E. The antioxidants in Argan oil protects your skin and helps to fade scars. Plus, it helps control skin breakouts, blemishes, and irritation.

Rosewater is a natural toner that maintains the skin's pH balance. It rejuvenates, soothes, and calms your skin. Antiseptic properties leave skin healthier, and its delicate fragrance is relaxing and comforting.
